QUESTION 1:

What type of equipment is being used to stream the video?

ANSWER:

We wish to obtain a turn key "solution" that incorporates both the camera and back haul circuit/s to provide the streaming.

QUESTION 2:

Is there 2 separate feeds or is it being streamed together?

ANSWER:

That is at the discretion of the solution provider, again we are looking for the best solution.

QUESTION 3:

We offer several sizes of cameras? 23x zoom being the standard. Would this suffice?

ANSWER:

A 23x zoom should be sufficient.

VENDOR NOTE: If there is additional pricing involved for the video solution, please add it to the pricing page and include in total extended cost.
